

# 2019 SASKATCHEWAN CONSTRUCTION WEEK

**April 8-12, 2019 – Saskatchewan**

This province-wide initiative is a week-long celebration of Saskatchewan's construction industry, led by a committee of dedicated industry representatives from every sector, all coming together to pull in the same direction for the betterment of construction and the quality of life it produces for Saskatchewan residents.

Saskatchewan Construction Week (SCW) will feature several special events, targeting an audience of construction companies and suppliers, political leaders, community stakeholders, youth, entrepreneurs and more. Stay tuned for the agenda coming soon!
