### **Incoming Prompt Payment Legislation – What do you need to know?**

- When will the new legislation be adopted?
- What will it look like for each sector of the construction industry?
- How can I prepare my business for the change?
- And much more!

*You may have heard that Saskatchewan is on track to be the second province in Canada to adopt prompt payment legislation to ensure contractors get paid in a timely manner – do you know how this will impact YOUR business?*

ROBERTSON  
STROMBERG

## Speaker Bios:

**Trevor Friesen** is a Partner and Business Advisor with MNP's Assurance Services group. Working out of the Saskatoon office, Trevor helps clients in a range of industries, including manufacturing and processing, automotive sales, insurance, hospitality and professional services to achieve their business goals.

Working with small and medium-sized owner-managed businesses, Trevor delivers compliance and assurance services and assists in other areas such as strategic planning and succession planning. His services include tax compliance filing, tax planning, reviews, audits and general business advice.

Trevor draws on more than a decade of experience to help business owners overcome hurdles, solve problems and seize opportunities. He takes an innovative approach, helping clients develop processes that allow them to solve issues and reach their goals.

**Misty Alexandre** is the Past Chair of the Construction Law section of the Saskatchewan chapter of the Canadian Bar Association. She is also very active with the local construction industry.

Misty is a member of the Executive Committee for Construction Specifications Canada (Legal Officer – Saskatoon Chapter) and has completed and then instructed at, their Principles of Construction Documentation Course.

She shares her knowledge and experience in construction law as a regular seminar and conference presenter for a number of industry organizations, including the Saskatchewan Construction Association, the Saskatoon Construction Association, Merit Contractors Association Saskatchewan, the General Contractors Association of Saskatchewan and the Canadian Health Care Engineering Society (Saskatchewan chapter). She has also served as an instructor for the Management Essentials for the Construction Industry course offered by Great West Plains College.
